AWARD WINNERS

TOP FORWARD

RYAN ST. GERMAINE

"This year 'Germaine' was chosen by his peers by a landslide to be our captain. He demonstrated his leadership skills early in the season and led by example all year long. A fantastic kid off the ice and it was a pleasure to coach "Germaine" this year."

TOP DEFENCEMAN

PARKER KILBA

"Parker was a huge part of our team this season. Showing his own set of leadership skills on the ice with his play and off the ice with his loud voice on the bench. He has size and speed to go with a big shot from the point and was used in all situations."

ROOKIE OF THE YEAR

KORBEN KNEZEVICH

"As a younger player on our team, Korben was always used in big situations. He can kill and quarterback a power play.

Korben has great vision and a high hockey IQ. He pinched when needed and had a strong offensive mindset when he would lead the rush. A great kid off the ice and another pleasure to coach."

MOST DEDICATED

ALEX SCHECK

"Alex's dedication to the game is very special to see. He was always working his hardest and never missed a game, practice or dryland. He also was an AP and never missed any of those sessions either. Every day Alex was working to be better. He attended every morning skate and was always working on being better. A very polite young man and a leader wearing an A as a first year. He was an absolute pleasure to coach, and with his dedication there's no saying where Alex will stop."

UNSUNG HERO

ZAYN KNEZEVICH

"Zayn was our most consistent player day in and day out. He always came to play and was always at full speed. With his speed he was first in on the forecheck and won most races to pucks. Also wearing a letter this year, he leadby example on and off the ice. Zayn was used in all situations and was always reliable."

MVP & TOP ACADEMIC

KEAGIN KELLN

"This year Keagin was an outstanding player. His remarkable efforts on the ice showed off the ice as well winning MVP and top academic player with some amazing grades. His battle in the net was unmatched, he found all loose pucks and ate them up. He recovered instantly after being scored on. Keagin played big for his size and was always playing at his best. An amazing young man off the ice, very coachable and focused."
